HEAD COACH BRAD HOLLAND ...

Member of 4 straight Pac-10 titles at UCLA

"When recruiting Brad Holland when he was an athlete at Crescenta Valley High School in the early '70's, it was readily apparent that he was much more than an outstanding basketball player. He was an excellent honor roll student and, of equal or more importance, an extremely polite, courteous and modest young man. I deeply regret that I retired before having the privilege of having him under my supervision at UCLA. I watched him with great interest as a player and had no doubt that he would become a fine teacher/coach if he chose that as his profession. Any parent should be proud to have their child under his supervision."

Services.

Shaney Fink begins her fifth year overseeing the Academic Support Program, and her second as an Assistant Director of Athletics for Academics & Student Services. This past academic year eleven of the sixteen Torero teams had cumulative GPA's of 3.0 or higher.

Five seasons ago she assisted the Torero volleyball coaching staff, helping the Toreros to a 23-6 record and second round finish in the NCAA Tournament. Prior to USD she gained coaching experience at the high school, college and international levels for four years. She capped off a stellar collegiate career (1990-93) at Cal Berkeley and won selection to the All-Pac 10 Decade Team.

Fink earned her B.A. in Social Science from Berkeley in 1994. This past spring she earned her Masters Degree at USD in Counseling. Shaney and her husband, Tom Vorkoper, reside in Encinitas with their newborn son, Lucas.

"The greatest challenge to a Division I athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential."

ACADEMIC SUPPORT CENTER

The USD Athletic Academic Support Program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degree. Academic Support Services are designed to enhance the student-athlete's overall collegiate experience and encourage development and attainment of academic and career goals.

All USD student-athletes have access to advising, tutoring and mentoring services. The mentoring program, Access, was developed in 1999 and teams a graduate student in the Counseling program with an athlete who would like to enhance study skills, learn about campus resources and receive guidance on goal development and attainment. Student-athletes also have access to a quiet area where they can study or work in the computer center. In addition, student-athletes are encouraged to utilize the campus learning centers including the Writing, Math and Logic Centers as well as to take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.

SAN DIEGO-‘AMERICA’S FINEST CITY’ ...

Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county.

Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers play at Qualcomm Stadium, and the National League Padres play at the new downtown Petco Park. During college football bowl week, San Diego annually hosts the Pacific Life Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returned to San Diego in 2003 with the Tampa Bay Bucs beating the Oakland Raiders.

Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.!

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S."

Qualcomm Stadium, home to the San Diego Chargers, has hosted both the Super Bowl and World Series. It was the site of the Super Bowl in January, 2003. The Pacific Life Holiday Bowl, recognized as "America's Most Exciting College Bowl Game," will be played Dec. 30th, 2004 and feature the Pac-10 runner up against the 3rd selection from the Big 12.

THE UNIVERSITY OF SAN DIEGO ...

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD basketball and volleyball. Two years ago the Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and this past Fall the Donald P. Shiley Center for Science and Technology opened. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ACADEMICS

USD enrolls more than 7,200 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is currently ranked 105th among the top schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team is in its 11th season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have made 42 NCAA post-season appearances; garnered 39 All-America selections; had 33 Conference Coaches of the Year; 27 Conference Players of the Year; 14 Conference Freshmen of the Year; won 14 conference championships; and 4 WCC Scholar Athletes of the Year. Two seasons ago saw the men's basketball program win their first WCC Basketball Tournament Championship and advance to the NCAA Tournament for the first time in sixteen years.

DID YOU KNOW ?

That 42 percent of USD's 400 student-athletes last year earned grade-point averages of 3.2 or higher.

That 11 of USD's 16 intercollegiate teams last year had a combined GPA of 3.0 or higher.

That 24 Torero student-athletes were selected to conference All-Academic teams.

That 108 USD student-athletes were named to the West Coast Conference Commissioner's Honor Roll for garnering 3.0 or higher grade-point averages.

TOREROS' LOOK TO GET BACK TO WINNING WAYS

HEAD COACH BRAD HOLLAND:

Head coach **Brad Holland** enters his 11th year at the helm of the Torero men's basketball program. Holland, who has tallied eight seasons of .500 or better records in ten years, will be looking to rebound from last year's disappointing campaign that saw the Toreros win just 4 games. Holland will try to mold a solid cast of experienced returners, three key players that sat out last season, and a handful of newcomers into that winning formula that he is so accustomed to.

SENIOR LEADERSHIP:

Coach Holland and his staff will look to a trio of seniors to lead the way in 2004-05. Senior **Brice Vounang**, a 6-8 center from Dschang, Cameroon, is back for his final year after being tabbed the 2004 West Coast Conference Newcomer of the Year and a 1st Team All-WCC selection. The Torero MVP averaged 16.9 points and 6.8 rebounds while converting 55.0% of his shots from the floor. His WCC numbers were even better at 19.7 ppg, 7.7 rpg and 58.7% shooting. Junior **Brandon Gay**, a 6-8 forward from Missouri City, Texas, returns after turning in an outstanding second half of the season after overcoming injury. Gay finished as the team's top rebounder at 7.0 rpg and was second in scoring at 14.3 points per game. In league play he averaged 16.5 ppg and 8.1 rpg while making 50.6% of his shots from the floor. He turned in personal bests of 29 points and 14 rebounds against the USF Dons on February 21st. The third senior is shooting guard **Brett Melton**, a 6-4 guard from Champaign, Illinois. Melton averaged 11.0 points per game last season and made a team-best 79 three pointers (42.0%).

THE REST OF THE RETURNERS:

Junior **Nick Lewis**, a 6-10 forward from Paradise Valley, AZ, leads the cast of the other five Torero returners that saw action last season. Lewis matched Melton's 11.0 points per game and also ranked third on the team in rebounding at 5.8 rpg. He will be counted on to produce at both ends of the floor for the Toreros this season. Sophomore **Michael Hubbard**, a 6-4 point guard from Los Angeles, CA, returns after appearing in all 30 contests with 17 starts. He averaged 5.1 ppg and was second on the team in assists with 96. A trio of sophomore walk-ons round out this group: 6-1 guard **Avi Fogel** (San Diego, CA), 6-5 forward **Adam Bonifer** (Glendale, CA) and 6-6 forward **Slater Traaen** (San Diego, CA). Fogel made his mark last year by appearing in 24 games with 12 starts. Eleven of his starts came in WCC play where he averaged 18.7 minutes per contest.

A TRIO OF REDSHIRTS BACK:

USD will have the luxury of three very solid performers back after they sat out the 2003-04 campaign. Junior **Corey Belser**, a 6-7 forward from Spanaway, Washington, returns after recovering from a knee injury. Belser was the team's top defensive player two seasons ago when the Toreros' won the WCC Tournament title and advanced to the NCAA Tournament. He is joined by two players that had to sit out after transferring from Division I programs - junior **Floyd North**, a

6-5 wing player who transferred from Oregon State, and sophomore **Ross DeRogatis**, a 6-1 guard from Oklahoma State University. North put together an outstanding prep career at nearby Saint Augustine High School in San Diego, and started 33 of 57 games for the Pac-10 Oregon State Beavers. During his freshman campaign he played in 29 games with 12 starts and hit for double digits against Stanford and Oregon. DeRogatis, who played his high school ball in Texas, will compete for playing time at both guard positions for USD.

THE NEWCOMERS:

Rounding out the Torero squad is three newcomers that are scholarship players, and one walk-on. Two juniors expected to see action right away include **Michael Kirkpatrick**, a 5-10 point guard from Dexheim, Germany, and **Michael Shepherd**, a 6-8 forward from Orem, Utah. Kirkpatrick began his collegiate career at North Carolina A&T and this past season played at College of Eastern Utah. Shephard comes to USD from Odessa College where he averaged 9.0 ppg and 8.0 rpg this past season. The lone scholarship freshman is **Gyno Pomare**, a 6-7 forward from nearby El Camino High School in Oceanside, CA. In two SoCal Regional playoff games last year he averaged 24.0 ppg and 15.0 rpg. For the season he averaged 19.1 ppg and 14.0 rpg while earning 2nd Team All-State recognition. **Curtis White**, a junior guard, will be a first year walk-on from nearby Eastlake High School (Chula Vista, CA).

A LOOK AT THE SCHEDULE:

The Toreros will open the 2004-05 season on Nov. 16th with a road game at Arizona in the Preseason NIT Tournament. USD's home schedule begins with three straight dates against UC San Diego (Nov. 20), Occidental (Nov. 22) and San Jose State (Nov. 27). Additional home contests include Eastern Washington (Dec. 13), Northern Arizona (Dec. 18), UC Santa Barbara (Dec. 22) and Creighton (Dec. 31). Nonconference road games include San Diego State (Dec. 1), University of Texas, at Arlington (Dec. 4), San Jose State (Dec. 7), USC (Dec. 11 at SDSU's Cox Arena) and Wyoming (Dec. 28). The West Coast Conference schedule will begin with road games at Pepperdine (Jan. 7) and Loyola Marymount (Jan. 9). USD's first home WCC tilt will be against Portland on January 20th and will conclude on Feb. 26th against Saint Mary's College. The West Coast Conference Basketball Championships will be held at Santa Clara's Leavey Center (March 4-7)

BRAD HOLLAND**11th year****Two-time WCC Coach of the Year**

The 2004-2005 season is **Brad Holland's** 11th at the helm of the USD men's basketball program. Holland has guided USD to 92 victories over the past six seasons, including a personal-best 20 win season in 1999-2000. In 2002-03 he guided USD to an impressive 18-12 mark; to the 2003 West Coast Conference Basketball Championship title; and to the program's first trip to the NCAA Tournament in sixteen years.

That season was highlighted early on by the team's 86-81 overtime win at UCLA. The Toreros would go on to tally a 10-4 2nd place finish in the WCC standings. With the 2nd place mark the Toreros earned a double-bye into the WCC Tournament semifinals; they knocked off San Francisco in the semi-final, then beat Gonzaga in front of a national TV audience in the title game to earn the league's automatic bid into the NCAA Tournament. They gave the Stanford Cardinal a battle before falling 77-69 in NCAA 1st round action. Senior center Jason Keep became the program's first ever 1st Team District 15 selection.

Three seasons ago, for the second straight year, Holland guided the Toreros to a 16-13 mark and a semifinal appearance in the West Coast Conference Championships. The Toreros earned quality nonconference wins over UC Irvine and San Diego State (4th straight year), along with key WCC wins over Santa Clara (on the road) and San Francisco (twice). Senior guard Andre Laws became the first Torero since 1987 to earn District 15 honors (2nd Team).

Five seasons ago he guided the Toreros to a 20-9 overall mark and 10-4 WCC finish. The 20 wins and 10 WCC victories were the school's most since the 1987 season. For his efforts, Holland was named the WCC Coach of the Year by his peers for the second straight season. The Toreros won seven of their final ten games to finish strong again, a trait of Holland coached teams. The season was highlighted by WCC wins at Gonzaga (82-70), and at home over WCC champion Pepperdine (73-62). The Toreros finished 11-2

at home, and were 9-7 on the road, including an excellent 5-2 WCC road mark.

He earned his first WCC Coach of the Year honor during the 1998-99 campaign when he directed USD to an 18-9 record and a second place finish in the West Coast Conference race (9-5). Highlights from the 1998-99 squad included the team's victory over Texas in the Torero Tip-Off, and the team's upset over then No. 25-ranked Gonzaga (75-59). In 1997-98 Holland guided USD to a 14-14 overall record and a third straight semifinal appearance in the West Coast Conference Tournament. The Toreros won five of their final eight contests and earned solid victories over WCC champion Gonzaga, and two wins over WCC runner-up Pepperdine.

Holland owns an eleven-year mark of 148-137 at USD — including his two-year stint at Cal State Fullerton, his career coaching record sits at 171-168. During his USD tenure he owns eight seasons with .500 or better records.

In 1996-97 he directed the Toreros to a 17-11 record; the 17 wins were a personal-best for Holland in six years as a collegiate head coach. The Toreros advanced to the semifinals of the WCC Tournament after defeating Gonzaga in the opener. They finished the season on a strong note, winning seven of their final nine. Included in the team's 17 victories were solid nonconference wins against San Jose State, Cal State Fullerton, UC Santa Barbara and UC Irvine. Although they came up short, the Toreros played Kansas to seven points in Lawrence (72-79) and Stanford to two (70-72) at the San Diego Sports Arena.

The 1995-96 club, hit with a variety of injuries throughout the year, finished strong and ended the year at 14-14. In his first year at USD Brad guided the Toreros to an 11-16 overall record and a fifth place finish in the West Coast Conference. The season was highlighted early-on when the Toreros downed visiting Notre Dame, 90-76, on December 3rd before 6,522 fans at the San Diego Sports Arena.

Prior to USD Holland won rave reviews for the manner in which he revitalized the Cal State Fullerton men's basketball program. During the 1992-93 season, his first as a head coach, the Titans finished 15-12 and posted the school's first winning record in four years while going 10-8 in the Big West Conference. Along the way they beat every team in the conference except New Mexico State, capping the year with an exciting one-point home victory over nationally ranked UNLV. His 1993-94 team, which lost three players to season-ending injuries prior to the start of the season, finished 8-19 overall and eighth in Big West play. They did have some memorable victories — they won at Nevada and UC Santa Barbara's Thunderdome; they won for the third year in a row at UC Irvine; and they knocked off UNLV with a 84-75 victory at the Thomas and Mack Center.

Prior to his appointment at Cal State Fullerton, Holland was an assistant coach on Jim Harrick's staff at UCLA from August, 1988 to March, 1992. He helped the Bruins return to national prominence while compiling a 93-35 record that took them to four NCAA tournaments. Success as a head coach is merely the latest positive mark Holland has made on Southern California basketball. He was a basketball and football star at Crescenta Valley High School. He was a four-year basketball letterman at UCLA and played with the Los Angeles Lakers and two other National Basketball Association teams before retiring in 1982 due to a knee injury. He entered private business and also was a broadcaster for Prime Ticket from 1985 to 1988.

Holland was the last player recruited by Coach John Wooden and became a part of four Pac-10 championship teams at UCLA from 1976 to 1979, two under Coach Gene Bartow and two under Coach Gary Cunningham. The Bruins went 102-17 during Holland's playing career and he was honorable mention All-America and second-team Academic All-America as a senior. That year he averaged 17.5 points and 4.8 assists and had a .598 field goal percentage, the best ever by a Bruin guard. He graduated in 1979 from UCLA with a B.A. degree in Sociology.

The Lakers drafted Holland in 1979, the 14th player taken in the first round, and went on to win the 1980 NBA championship. The rookie guard scored eight points in the decisive sixth game at Philadelphia. He finished his playing career in 1981-82 with Washington and Milwaukee.

Holland and his wife, Leslie, reside in Carlsbad. They have three children — twins Kristin and Lisa, seniors at USD, and a son, Kyle.

TOREROS' FACE ARIZONA IN PRESEASON NIT

The Preseason National Invitation Tournament (NIT) was begun in 1985. This tournament is the premiere preseason tournament in college basketball. The tournament is comprised of 16 teams with NCAA legislation allowing for only one team from a conference to participate in a given year. Legislation also states that a team may only participate once every four years. This season marks the first appearance for the University of San Diego Toreros.

The format of the tournament is set up similar to the postseason tournament. The first two rounds are held at campus sites and the semifinals and the finals are held at Madison Square Garden. Heading into the 18th year of existence, the Preseason NIT has seen many great players, as well as, many great teams. One team that may stand out above the rest is the University of Kansas. Participating in the tournament an unprecedented four times, the Jayhawks boast a 15-1 record that includes a tournament record three championships and one 2nd place finish. The Arizona Wildcats, USD's first round opponent, has appeared in the prestigious tournament four times and has come away with the championship trophy on three occasions - 1990, 1995, 1999.

Some of the former MVP's of the tournament include: Vernon Maxwell, Florida (1987), Sherman Douglas, Syracuse (1988), Chris Mills, Arizona (1990), Byron Houston, Oklahoma State (1991), Calbert Cheaney, Indiana (1992), Gary Trent, Ohio (1994), Allen Iverson, Georgetown (1995), Andrae Patterson, Indiana (1996), Paul Pierce, Kansas (1997).

The West Coast Conference is dedicated to providing opportunities for student-athletes to achieve their fullest potential, both on the playing field and in the classroom.

The eight WCC member institutions span the western coast of the United States, from the pine forests of Eastern Washington, to the Columbia River Basin, to the dynamic San Francisco Bay Area and the sunny beaches of Southern California.

The league is characterized by the stability of its membership—only two conferences have been together longer—and its unique emphasis on combining excellence in athletics with excellence in academics.

A nationally recognized and competitive force in intercollegiate athletics, the WCC sponsors 13 sports: men's and women's basketball, soccer, tennis, cross country, and golf; baseball; and women's volleyball and rowing. The WCC has produced 34 NCAA individual or team champions and numerous Academic All-Americans. Many outstanding WCC student-athletes have also gone on to excel in professional sports.

The long and rich history of the WCC demonstrates that success in intercollegiate athletics can be built on the foundation of values, character and academics.

WCC BASKETBALL TOURNAMENT RETURNS TO THE BAY AREA

The West Coast Conference Basketball Tournament returns to Santa Clara's Leavey Center for the second straight year after three successful years at the University of San Diego's Jenny Craig Pavilion. For the third consecutive season, the men's championship will use an 8-Team/Play-In format, while the women's championship will use the traditional 1 vs. 8 format with no byes. The women will play March 3-6, 2005 and the men will square-off March 4-7, 2005. The 2005 championship concludes the two-year Bay Area stint for the WCC Tournament, as the event will head to the Pacific Northwest in 2006 and 2007 and then to Southern California in 2008 and 2009.

WCC TOURNEY FORMAT

Men's Format

Under the format that was adopted in 2003, the #5 through #8 seeds will compete in the opening round to determine who will advance to the next round of the tournament. Waiting for the winners in the quarterfinals will be the #3 and #4 seeds, who will have first round byes. The winners of the quarterfinal match-ups will go head-to-head with the #1 and #2 seeds, who will have byes through the first two rounds of the tournament.

Women's Format

After a two-year experiment with the same format that the men currently use, the WCC will use the traditional No. 1 seed vs. No. 8 seed format for the women's championship. All eight WCC schools will play on the first day of the tournament with the No. 1 seed facing the No. 8 seed, the No. 2 seed facing the No. 7 seed, the No. 3 seed facing the No. 6 seed, and the No. 4 seed facing the No. 5 seed. The women will play the first round on March 3, 2005 with a day off on March 4th. Play will resume with the semifinals on March 5th and the championship game on March 6th.

NCAA COMPLIANCE**I want to play Division I intercollegiate athletics at San Diego...****What do I need to do in order to play at San Diego as a freshman?**

If you intend to participate in Division I or II athletics as a freshman, you must register and be certified by the NCAA Initial-Eligibility Clearinghouse. Your high school counselors should provide you with a student-release form and a brochure titled, "NCAA Guide for the College-Bound Student-Athlete." In order to be registered with the clearinghouse, you must complete the student-release form and mail the top (white) copy of the form to the clearinghouse along with the \$30 registration fee. Give the yellow and pink copies of the form to a high-school official, who then sends the yellow copy, along with an official copy of your high-school transcript that includes your SAT or ACT score(s), to the clearinghouse. Your high school should keep the pink copy for its files. You may also register online at www.ncaaclearinghouse.net. After graduation and before the school closes for the summer, your school also must send the clearinghouse a copy of your final transcript that confirms graduation from high school. Your counselors can obtain registration materials, at no cost, by calling the clearinghouse at (319) 337-1492.

How do I know if I'm being recruited?

You become a "prospective student-athlete" when you start ninth-grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide prospective students generally. You become a "recruited prospective student-athlete" at a particular college if any coach approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches that cause you to become a recruited prospective student-athlete are (1) providing you with an official visit; (2) placing more than one telephone call to you or any other member of your family; or (3) visiting you or any other member of your family anywhere other than the college campus.

Boosters: In addition to general recruiting regulations, no alumni, boosters or representatives of a college's athletics interests can be involved in your recruitment. There can be no phone calls or letters from boosters. If a USD booster is contacting you, please call the San Diego Compliance Office as soon as possible at (619) 260-7577. Don't risk your NCAA eligibility!

When can I talk to the coach and have him/her see me play?

Telephone Calls: In all sports other than football, phone calls from staff members (but not boosters) are not permitted until July 1 after completion of your junior year. In sports other than football, one telephone call to a prospect may be made during March of the prospect's junior year in high school. In both men's and women's basketball, one telephone call to a prospect may be made on or after June 21 following the prospect's junior year. Only three calls to a prospect may be made in July following a prospect's junior year, with no more than one call per week. In Football, a prospect may receive one phone call in May of the prospects junior year in high school and may start receiving additional calls after September 1 of your senior year. After this, a college coach is limited to one telephone call per week to you (or your parents or legal guardians), except that unlimited calls to you (or your parents or legal guardians) may be made under the following circumstances: (1) during the five days immediately before your official visit by the college you will be visiting; (2) on the day of a coach's off-campus contact with you by that coach; (3) on the initial date for signing the National Letter of Intent in your sport through two days after the initial signing date; and (4) you (or your parents) may telephone a coach at your expense as often as you wish. After a National Letter of Intent is signed, unlimited calls may be placed to the prospect.

Off-Campus Contacts: A college coach may contact you in person off the college campus only on or after July 1 after the completion of your junior year in high school. In sports other than football, one in-person, off-campus contact with a prospect is allowed during April of the prospect's junior year of high school. The contact must take place on the prospect's high school campus and follow restrictions on the sport's recruiting calendar. A contact is any face-to-face meeting between a college coach or athletics staff member and you or your parents, during which any of you say more than "hello." Also, any such face-to-face meeting that is prearranged or that takes place on your campus, at an organized competition or practice involving you or your high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation. Currently in all sports other than football, college coaches may contact you off the college campus no more than three times. However, a college coach may visit your high school (with the approval of your high school principal) only once a week during contact period.

Evaluations: An evaluation is any off-campus activity used to assess your academic qualifications or athletics ability, including a visit to your high school (during which no contact occurs) or watching you practice or compete at any site. Currently in all sports other than football and basketball, a college coach is limited to seven opportunities (contacts and evaluations combined) to recruit you and not more than three of the seven opportunities may be contacts. In basketball, coaches have a limit of five opportunities with which to recruit you (contact and evaluations combined) off the college campus. Not more than three of those five opportunities may be contacts. In football, a coach has three evaluation opportunities and six contact opportunities. Once you sign a National Letter of Intent, you may be evaluated an unlimited number of times by a college coach from the college with which you have signed.

Letters: Letters and printed recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school. However, you may still contact a university prior to this date to receive general (non-athletic related) information. You may also complete an athletic questionnaire prior to this date.

What Can I Receive from San Diego?

You (or your family) may not receive any benefit, inducement or arrangement, such as cash, clothing, camp, improper expenses, transportation, gifts or loans to encourage you to sign a National Letter of Intent or attend an NCAA college. The University of San Diego may offer you a one-year scholarship that covers room and board, tuition and fees, and required course-related books, or any part of these. The institution can recommend that this aid be renewed each year, as is the general practice at the University of San Diego.

Who do I contact with any Questions on Eligibility?

You may contact **Mike Matoso**, USD's Associate Director of Athletics for Compliance and Administration at 619-260-7577 or by email at mmatoso@sandiego.edu.

President

A Message From President Mary Lyons

The University of San Diego is very proud of the student-athletes that represent our institution on 16 men's and women's NCAA Division-I athletic teams. These are proud and serious competitors, honored to represent the University. The dedication you witness on the playing fields, on the court, on the course, or in the water is greatly matched in the classrooms, the laboratories, on stage, or in the community. Over forty percent of our student-athletes carry a grade-point average above 3.2, and 11 of our teams have a cumulative grade-point average above 3.0.

Athletics is vital to the University of San Diego, a way students, faculty, staff and alumni come together as one community. I am both a university president and a Torero fan; I look forward to sharing the excitement of Torero athletics with our many fans.

TOREROS DEFINED

The University of San Diego, which sponsors sixteen NCAA Division I intercollegiate teams, competes under the athletic nickname of Toreros. In 1961, the Most Reverend Bishop Buddy, the founding father of USD, announced that the school's nickname would change from Pioneers to Toreros. "The name Toreros is keeping with the friendly relationship which exists between San Diego and Mexico," His Excellency said at the time. Torero comes from the spanish term toro, the bull, and from the word torear, to fight bulls. All of the contestants in the ring are called toreros. Torero is a general term describing a bullfighter and signifies courage, honor and fidelity. USD student-athletes, like the Torero, represent a willingness to stand alone in the ring and accept the challenge.

The 2004-2005 school year marks the 44th season with Toreros as the official nickname for USD athletic teams.
